

RUNNING AN UNUSUAL MOVEMENT SESSION WITH BOS

[Firstly you need to check that the database in BOS is available with me and has been imported]

CLICK on BOS

CREATE NEW

TYPE IN EVENT NAME xmas2015

CLICK CREATE

CLOSE BOS

CLICK on BOS

CLICK Resume

[IMPORT DEALS AS FOR A NORMAL SESSION]

When finished hold down the shift key and CLICK on START SCORING

HIGHLIGHT PairsScorer/Individual and Click OK

CLICK Event Details for the Club/Event Details page

ENTER the Date if not there

ENTER a Section Name **DONT PRESS OK**

CLICK on the Scoring Tab at the top and set

Scoring Match Point Pairs

Butler Drops No Drop Scores Probably not used

TICK Simple MP's

UNTICK One winner override (unless you only want just one)

CLICK IMPORT DEALS (Find the pbn file that we usually use)

File Type should show pbn

CLICK On Session 1

Browse to c:BOS/Events/xxxxxx/Data

HIGHLIGHT the file and open and CLICK OK

CLICK OK to exit the Club/Events Details page

CLICK ON SELECT MOVEMENT

ENTER The number of players

CHANGE THE PARAMETERS FOR THE NUMBER OF ROUNDS (could be an issue with not played boards later in the scoring)

HIGHLIGHT the movement you want and PRINT TABLE CARDS

CLICK OK

CLICK YES to confirm

CLICK BRIDGESCORER SCORING

CLICK CREATE DATABASE

CLICK LAUNCH BCS (BSC)

CLICK YES TO CONFIRM

IMPORTANT On the game settings TICK INDIVIDUAL

TICK BRIDGESCORERS if not already ticked

AND your choice if you tick the box for Rotate Compass Directions (North to Score) !!

CLICK SAVE

CLICK CHANGE VIEW a couple of times to convince yourself it all works!

PRESS the green button

Players should note their individual number before they enter their names

UPDATING NAMES and SCORES are automatic but you can check at any time

By minimising the BCS(BSC) screen and click the Names Tab of the previous screen or

the reports screen

Let BCS(BSC) run as normal

After the final round minimise BCS(BSC)

[Note I think someone removed the warning on closing the BCS(BSC) screen. If you accidentally close this then you need to click RESTART

CLICK YES

Click Create Database

WARNING WARNING CLICK NO

Launch BCS(BSC)

CLICK YES

CLICK SAVE

This takes you back to the previous screen

Click the Results Tab if not already there

CLICK the Reports Tab

Notepad is set as default

CLICK Ranks

[Hopefully you have your results. Note this notepad document could be displayed on the TV and give progress reports

Or choose the web table option instead of notepad and then ranks for a browser display

Or choose scroll]

CLICK Results tab

Click Return

Click Reports

Display or Print what you want from there

Change output to Web Table

Display on screen

I will put this on the club web sit under Member's area / Results

Have a good Xmas
