Click Replay Hands.

This opens in a **new window** Bridge Solver On Line.

You can use the **OPTION** Button to display the subscripts or colours or not.

Use the **HELP** Button(at any stage) or just start **PLAY**.

When finished with a hand click on **STOP**.

You can use the **GoTo** Button to go to a particular board.

Note at the top of the browser you will have tabs for Sessions and Bridge solver on Line. You can flick from one to the other by clicking these tabs.

Or

If from the personal results screen you are looking at a particular board then there is a replay deal tab that you can action.

ENJOY !

For other playing hands where you bid and play (with help features) then please use the link on the home page [Replay hands at home](#).
