

MONDAY PROGRAMME

Session starts at 7:30pm
Please be seated by 7:20pm

SYSTEMS: Those allowed by NZ Bridge for Junior Tournaments plus Benjamin Acol as played at Taupo Bridge Club

We recommend that each pair have a Junior player on a Monday Night.

COMPETITIONS: All members are welcome to play in the Monday session, but eligibility to win competitions is as follows:

Pairs: Three session competitions for pairs of all grades. All session scores count. One substitute is allowed. (*Director to be advised of the substitute before start of play*). The same pair cannot win more than one Pairs competition over the full year, excluding Swiss Pairs and Championship Pairs.

May Teams: A three session open grade competition depending on the number of entries. Entries by pairs and the teams to be decided by the Match Committee/Director.

August Swiss Pairs: A two or three session competition depending on entries. The format will be decided by the Director/Match Committee at the first session of this competition.

Barbara Wright Trophy: An eight session competition for members with 30 or less rating points as at 31 January. Best five session scores count. A different partner is required for each qualifying session. If the same pair play more than one session, it is the first session score that counts as the qualifying session. A member can only win this trophy once.

Junior Championship Pair: (Fred Tritt Memorial Trophy) A four session competition for pairs with 60 B points or less combined, as at end of October. Best three session scores count. No substitutes allowed.

PRIZES: Members only qualify. Prizes are limited to pairs with a Junior Player.

Vouchers given to winners on the night following end of competition.
